External Transfers Terms and Conditions

In order to initiate transfers to/from your accounts at other U.S. financial institutions, you will be required to provide account information for your Third Party Accounts, including, but not limited to, the financial institution's name, ABA/routing number, account type, and your account number(s).

You acknowledge that if we are able to recognize that you provided us with incorrect or incomplete information, we may make reasonable efforts to contact you to remedy the situation. However, you agree to accept full responsibility for any losses resulting from any such errors.

You may be required to provide proof of ownership of any Third Party Account to or from which you are requesting a transfer of money.

We may require you to demonstrate your ownership of a Third Party Account by means of trial deposits. Trial deposits involve us making one or two low value payment(s) (usually less than \$1.00) and one withdrawal of such funds. You are then required to report certain details of such transactions to confirm your account ownership. Your funds are not used for the trial deposits. You will be asked to confirm the amount of the trial deposits in order to verify proper account setup. No external

transfer can occur without this verification. Each external transfer made with an eligible Stepping Stones Community Federal Credit Union savings account will, if applicable, count toward the monthly transaction limit for your account.

We reserve the right to require you to use other methods to prove your ownership of a Third Party Account. You agree that we have the right to collect funds from any/all of your SSCFCU accounts, including the available balance on your line-of-credit accounts or any of the overdraft services applicable to your accounts, to provide the funds for any transfers that have been requested by you. This includes accounts on which you are the primary owner, as well as accounts on which you are the joint owner.

We are not responsible for any holds on funds placed by other financial institutions. We will not notify you in the event an external transfer fails due to insufficient funds. The terms and conditions for the account types offered by us are stated in the "Truth-In-Savings and Other Account disclosures" apply (e.g., number of monthly transactions allowed on a particular account) and you hereby acknowledge and agree that they are incorporated herein by reference.

6. Cancellation of External Transfers

Future-dated and recurring external transfers may be cancelled as long as they are cancelled prior to the Send Date.

7. Processing of External Transfers

The withdrawal will be initiated on the same Business Day the credit is initiated. If the transfer funds are not available in the Draw Account for any reason, the entire transaction will be either canceled or reversed from the applicable account(s). We will not be responsible for restrictions enforced by any other financial institution. Standard transaction limits are defined below.

8. Termination of External Transfers

We may terminate use of External Transfers at any time, at our sole discretion. Incidents of transactions that are returned for a closed and/or invalid account, external transfers for which you are not the owner, and repeated incidents of non-sufficient funds may result in termination of External Transfers or the Service.

While you may request a reinstatement by contacting us, we reserve the right to grant or deny reinstatement. If, at any time, you wish to discontinue your use of External Transfers, all pending transactions must either be canceled or completed prior to the termination. Once your External Transfer service with us has been terminated for any reason, you will have no further right or access to use it and we will not access your Third Party Accounts thereafter for any reason.

9. Fees for External Transfers

You may be subject to SSCFCU fees or fees from other institutions for incidents of insufficient funds or other miscellaneous fees associated with any external transfer. Refer to the Schedule of Fees and Charges for a complete list of fees and charges.

Fees, if applicable, will be debited from any SSCFCU account at the time the draw is made. You authorize us to deduct any/all fees at the time the transfer is initiated. If we are unable to collect the applicable fees due to insufficient funds, you authorize us to debit any of your accounts held at the Credit Union and/or take any means necessary to collect the fees.

10. Error Resolution and Disputes

Refer to the Error Resolution section of this Agreement. If you believe that any transfer has been made without your permission, contact the Member Service Department immediately to protect your rights and limit your potential liability.

E. Bill Payment

1. Service Description

You may pay bills via the Bill Payment Service by electronic means or paper check based on availability to eligible payees located in the United States within established Bill Payment Service limits. You must have a checking account in order to use the service. This service may be accessed either online or via your mobile device.

2. Definitions

Cutoff Time refers to 8:00 p.m. Eastern Standard Time (CT) on any Business Day.

Deliver On Date refers to the date in which your bill payment transaction will be delivered to your chosen Payee and your account will be debited.

Payee refers to the vendor/biller, person or entity to which you wish a bill payment to be directed.

Payment Instructions refers to the information provided by you for a bill payment to be made to your Payee (e.g., payee name, account number, payment amount, and/or payment date).

Payment Account refers to your checking account. Should the account not have sufficient funds or be overdrawn when a bill payment is scheduled, any applicable share account or available balance on line-of-credit accounts at GE Credit Union may be used. Multiple checking accounts may be established as Payment Accounts.

Payment Service and Bill Payment Service refer to the Bill Payment Service.

Online | Mobile Banking Service Agreement and Disclosure

Send On Date refers to the Business Day of your choice upon in which you want your bill payment to be made and the date your payment will be processed.

By providing the Bill Payment Service with the payee names and account information, you authorize the Bill Payment Service to follow the Payment Instructions that it receives from you. When a Payment Instruction is received by the Bill Payment Service, you authorize it to debit your designated Payment Account(s) and remit funds on your behalf so that the funds arrive as close to the Business Day designated by you as reasonably possible.

3. Payment Processing

Payment will be made to your Payee either electronically via the Automated Clearing House (ACH) or by paper check. The method of payment depends upon the processing method that can be accommodated by the Payee (e.g., some Payees are unable to accept electronic payments). You will be notified to allow three (3) to five (5) Business Days for payment processing at the time payments are established. Payments made through the Bill Payment Service will appear on periodic statements. Payments and transfers from your Payment Account may be processed in four different ways:

- **Today:** If you designate a bill payment as a “Today” transaction, the Send On Date will be the same Business Day if requested prior to the Cutoff Time. Payments will be deducted from your Payment Account on the Deliver On Date. “Today” payments may not be changed once they are no longer in the “Payment Outbox.”
- **Future:** If you designate a payment as a “Future” transaction, you may request that the transaction be made on a future date. You will only be able to establish payments with a Send On Date that is a Business Day. “Future” transactions may be canceled or changed as long as they are in a pending status.
- **Recurring:** If you designate a payment as a “Recurring” transaction, you may request that the transaction be made in the same amount to the same Payee or account on a specified regular, periodic basis. You will designate a “start” and “end” date. You will only be able to establish the initial recurring payment with a Send On Date that is a Business Day. “Recurring” transactions may be canceled or changed as long as they are in a pending status. You may only establish a single recurring payment to the same Payee.
- **Automatic:** If you receive ebills for specific payee(s), you can designate an automatic payment rule to pay the bill or a portion of the bill. Sufficient and available funds must be available by 12:00 a.m. CT of the night before the Send On Date, but will be deducted from your Payment Account by the Delivery On Date. “Automatic” payments may only be changed if they are in a pending status.

4. Ebills (Electronic Bills)

By enrolling in ebills, you are authorizing the Payee/biller that offers this option to transmit your bill and are authorizing us to display your bill within the Service. Important: Your enrollment in ebills will generally result in the termination of any existing bill in paper form that you are receiving currently.

The ebill setup process may take a full billing cycle to process. There are two types of ebills, direct and indirect, which may have different setup requirements based upon what the individual Payee. Direct ebills do not require any payee website login information. For indirect e-bills, the Bill Payment service collects login credentials to the Payee site during the ebill setup process. We are not responsible for ebills that do not arrive, you cancel, or late payments as a result of late/missing electronic or paper bills.

You authorize us to provide your email address and other required information to each Payee-biller you specify in order to set up and maintain the ebill feature for you. You agree to abide by all terms and conditions and other requirements by the Payee-biller, including as all may be updated from time to time.

5. Stopping or Modifying Online Bill Payment Payments

Payments designated as “Today” transactions cannot be stopped, canceled, or changed once they are being processed.

Online | Mobile Banking Service Agreement and Disclosure

Stop payments are only applicable to payments made by paper check that have not yet cleared. In order to request a paper check stop payment, you must contact the Member Service Department. If the stop payment can be processed, a credit to your Payment Account will be processed within three (3) Business Days from the stop payment request date. You are responsible for completing any/all modifications to payments, payees, etc. If we do not properly complete a stop payment on a bill payment made by paper check on time according to our agreement with you, we may be liable for your losses or damages. However, we will not be liable if the information provided to us to process the stop payment order is incorrect or the fault lies with the member. There may be other exceptions deemed applicable by us.

6. Documentation of Payments

After every payment is made, a confirmation with reference information will be viewable through the Service. In addition, information about your payments will be reflected on your periodic statements.

7. Terms and Conditions

a. Payments and Payees

You are responsible for all bill payments authorized through use of your Login Credentials. If you do permit other persons to use the Bill Payment Service by providing your Login Credentials in violation of this Agreement, you are responsible for any/all transactions they authorize.

You authorize us to choose the most effective method to process your payments. You will receive a transaction confirmation number for each properly instructed payment.

You must allow sufficient time for the Payee to receive and process the payment before the payment due date (the due date shown on your invoice or provided in your agreement with Payee, not taking into account any grace period provided by the Payee). You will assume full responsibility for all late fees, finance charges, or other actions taken or imposed by Payee. **IMPORTANT:** Payments may take up to ten (10) Business Days to reach the Payee, as they could be sent either electronically or by paper check. We are not liable for any service or late charges levied against you for late payments.

Both a written and email notice will be sent to you of transactions we are unable to process because of insufficient or unavailable funds or any other return reason. In all cases, you are responsible for either making alternate arrangements for the payment or rescheduling the payment. Returned payments will be canceled and will prevent you from making additional payments until resolved. Generally, the Bill Payment Service is reinstated five (5) Business Days after payment is received from you.

b. Returned Service Transactions and/or Overdrafts of Your Payment Account

By using the Bill Payment Service, you are requesting payments to be made for you from your Payment Account. If we are unable to complete the transaction for any reason associated with your Payment Account (e.g., insufficient funds), the transaction may not be completed.

In some instances, you will receive a return notice from us. In these cases, you agree that normal account fees will be charged to your account in accordance with our established and published fee schedule. By enrolling for and using the Payment Service, you agree that we have the right to collect funds from all of your accounts, the available balance on your line-of-credit accounts or any of the overdraft services associated with your account, to recover funds for all payments that have been requested to be paid by you. This includes accounts on which you are the primary owner, as well as accounts on which you are the joint owner.
